

Volunteer Opportunities

Volunteer Registration:

- U** If you are interested and available to volunteer, please be sure to complete a new volunteer registration in the Media Center. I would suggest applying for a level 4 clearance so that you are not restricted.
- U** It is a good idea for both parents to register.
- U** Register even if there is only a chance that you may be able to volunteer.
- U** It will take up to two weeks to secure level 3 and 4 clearance.

Grade Parent(s): No Clearance Required

The role of a grade parent is a big one that will involve quite a bit of time. For example, you will help to coordinate volunteers, chaperones, organize class parties, etc... I am looking for two parents to share this responsibility.

Media Helpers: Level 1 or 2 Clearance Required

You would come in during our scheduled media time and assist the media specialist with checking in books, helping students find books, and then checking out books.

Outstanding Otter Program: Level 1 or 2 Clearance Required

You would come into the classroom for 30-45 minutes once a month to read to the entire class. Texts will be provided and center around that month's character trait.

Field Trip Chaperones: Level 4 Clearance Required

As trips are planned, parents will have the opportunity to submit their names as chaperones. Names will be chosen raffle style to make it fair. I encourage you to obtain clearance as early in the school year as possible.

**Thank you for your interest.
I look forward to working with you this year!**
