

CONNECTOR

Obj. 2.023/4th Grade

Connector:

Your job is to connect the book to the outside world using 5 FAT questions.

Name: _____

Book/Story: _____

Assignment: p. _____ to p. _____

Meaning of FAT -

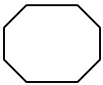

- you will have more than one word for an answer or add “Why or Why not or Explain”.
- Thinking of what you would do, think, change...etc if it was you in the story.

You are trying to promote discussion about connections you make while you are reading. This means connecting the reading to one of the following:

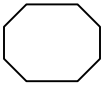

your life	your school
other people's life or problems	your neighborhood
other books	similar events, people, or places
same author	another author

Stem Question Examples: How would you solve (the character's) problem?... What would you have done differently than (the character)?... What does this story remind you of in your life?someone else's life?....another book?...another author?...at school? What would you....? What do you think...? What if you were the ___in the story....? Do you think...? What are all the ways you...?
