

Transitions

After	Consequently	Next
After a few days	Finally	Obviously
After awhile	First of all	Of course
After that	For an example	On the other hand
Afterward	From now on	Perhaps
All in all	Furthermore	Second
Also	Gradually	Simply stated
Although	However	Since
Another example	I'll be the first to admit	So then
As a result	In a little while	Sometimes
As I have said	In conclusion	Suddenly
As soon as	In other words	The first step
At first	In the beginning	Then
At last	Last	Third
At that time	Later	This takes us to
At this point	Let me explain	To begin
Before	Meanwhile	Until
Besides	Moving right along	Usually
By the same token	Naturally	What happened next
By this time	Nevertheless	Without warning
