

Dear _____,

I would like to congratulate you on being chosen for the Oak Grove Ecology Club! You are now a Green Otter! Our first meeting is Thursday, July 16th from 4:00-5:00 in room 607!!!

Before officially becoming a member, you and your parents/guardians will have to read and sign this contract. By signing, you are agreeing to follow the rules of the club, accept the consequences that follow, and give permission to put your picture and first name on special Green Otter opportunities, including the club page on my teaching website, and the Oak Grove website.

Our club has strict policies for following the rules. The consequences for breaking the rules will be a written warning (that the parents and the member will sign) and then the next level is removal from the club. We also have an attendance policy. Members are given three meetings or events in which they can miss, and after they have missed three, they will be asked to leave the club so someone else can participate. Members are not required to attend meeting when tracked out (however, if you come during a track out, it will count as an extra meeting or will make up for one that you missed), and there will be no meetings while I am tracked out. (The club will follow my schedule.) Meeting dates can be found on the website. Our rules should be top priority to all members, and they are expected to be followed at all times!

Green Otter Rules

- 1) No fooling around.
- 2) Respect others.
- 3) Use inside voices everywhere.
- 4) All Green Otters get only one warning, if they fail to meet rule expectations again, result will be removal from the club.

It is VERY important that I have an email address that I can use to email important updates regarding meetings!!

Members in the Green Otter Ecology Club will have special opportunities. Some include having their picture and first name on Mrs. Walker's teaching website. The Green Otters have their own page on her site: www.steveandcat.net/mrswalker/green-otters. All members will be serving on committees which will meet during our Ecology Club meetings.

Failure to submit this signed contract will result in losing a spot in the club! This paper must come back signed by our first meeting, Thursday, July 16th, 2009 in room 607 (Mrs. Walker's room) from 4:00-5:00. You may also return this contract to me prior to the first meeting. Please check the website for meeting dates!! I also have a sign outside my room with information regarding the next EC Meeting. Check it out!!

Go Green! Mrs. Walker

PLEASE KEEP THE TOP HALF FOR YOUR RECORDS & GIVE MRS. WALKER THE BOTTOM PORTION!!!
